CHEMICALS

MULTI 5-IN-1

Art. No. 00893 055 40

Versatile multi-functional spray for a range of applications

Lubricates, cleans and maintains

- Lubricates locks, hinges, bushings, chains, door locks
- Stops creaking and squeaking and restores sliding properties of seized and jammed parts
- Cleans and maintains plastic and metal parts such as e.g. panelling and housing

Removes rust and protects against corrosion

- Loosens rusted bolts, pipe fittings, screws, nuts, joints, Bowden cables, shafts, locks etc.
- Infiltrates and displaces moisture around electronics and electrics
- Prevents corrosion on metals and electrical components, cable connections, relays, plugs, couplings etc.
- Prevents freezing up of lock cylinders and closures

Resin, acid and silicone-free

PURCHASE MULTI 5-IN-1 FOR ONLY
R69.00 EACH Ex Vat

OR

PURCHASE 24 X MULTI 5-IN-1
AND PAY ONLY R65.00 EACH Ex Vat

WIT -VM 250 CHEMICAL ANCHOR

Art. No. 00903 450 205

R250.00 Ex. Vat

Individual attachment in cracked and non-cracked concrete, masonry and reinforcement attachment with subsequent mortaring

2-component reactive resin mortar, styrene-free vinyl ester

Individual attachment in cracked and non-cracked concrete

Anchor rod W-VI-A, anchor rod W-VD-A, standard threaded rod with acceptance test certificate 3.1

Individual attachment in masonry (system with WIT-SH perforated sleeve):

WIT-SH perforated sleeve, WIT-AS anchor rod, WIT-IG female thread sleeve

Individual attachment in masonry (system with SH perforated sleeve):

SH perforated sleeve, W-VI-A anchor rod, conventional threaded rod with acceptance test certificate 3.1

Reinforcement attachment with subsequent mortaring
